Example:

He doesn't participate in unnecessary arguments.
They don't tolerate discrimination of any kind.

Rule 19: 'None', 'Some', 'All', 'Most'

Structure: Quantifier + of + Noun + Verb

Example:

None of the documents are missing from the archive.
Most of the information is accurate and reliable.

Rule 20: Irregular Plural Nouns

Structure: Irregular Plural Noun + Plural Verb

Example:

Children enjoy interactive learning environments.
People have expressed their concerns about pollution.

Rule 21: "Half of", "A lot of", "Some of"

Structure: Quantifier + of + Noun + Verb

Example:

A lot of the evidence is missing from the case file.
Half of the players are injured before the final match.

Voice Change

Rule 1: Simple Tenses (Present / Past / Future Simple)

ব্যখ্যা: মরল কালগুলোতে কাজের সময় (বর্তমান, অতীত, ভবিষ্যৎ) মরামরি বর্ণনা করা হয়; Passive করলে object মামনের দিকে আমে ও be + past participle লাগে।

Structure (Active → Passive):

- Present: *Subject + base verb + object* → *Object + am/is/are + past participle (+ by agent)*
- Past: *Subject + past verb + object* → *Object + was/were + past participle (+ by agent)*
- Future: *Subject + will + base verb + object* → *Object + will + be + past participle*

Example: The university **will announce** the new curriculum → **The new curriculum will be announced** by the university next month.

Rule 2: Continuous Tenses (Present / Past Continuous)

ব্যখ্যা: চলমান বা অনির্বচনীয় ক্রিয়া দেখাবে; passive continuous-এ অবশ্যই *being* ব্যবহার করতে হয়।

Structure (Active → Passive):

- Present Continuous: *Subject + am/is/are + verb-ing + object* → *Object + am/is/are + being + past participle*
- Past Continuous: *Subject + was/were + verb-ing + object* → *Object + was/were + being + past participle*

Example: The team **was reviewing** the draft → **The draft was being reviewed** by the team when the deadline changed.

Rule 3: Perfect Tenses (Present / Past / Future Perfect)

ব্যখ্যা: সম্পন্ন কাজ বা নির্দিষ্ট সময়ের পূর্বে শেষ হওয়া কাজ নির্দেশ করে; passive perfect-এ অবশ্যই *been* থাকে।

Structure (Active → Passive):

- Present Perfect: *Subject + has/have + past participle + object* → *Object + has/have + been + past participle*
- Past Perfect: *had + past participle* → *Object + had + been + past participle*
- Future Perfect: *will have + past participle* → *Object + will have + been + past participle*

Example: Researchers **have validated** the theory → **The theory has been validated** by multiple independent studies.

Rule 4: Modals (can, could, may, might, must, should, etc.)

ব্যখ্যা: modal verbs ক্ষমতা, অনুমতি, সম্ভাবনা, বা বাধ্যবাধকতা দেখায়; passive-এ modal + be + past participle হয়।

Structure (Active → Passive): *Subject + modal + base verb + object* → *Object + modal + be + past participle (+ by agent)*

Example: The committee **should implement** stricter measures → **Stricter measures should be implemented** by the committee to ensure transparency.

Rule 5: Reporting Passive (It is said / It is believed)

ব্যখ্যা: কোনো মত বা রিপোর্ট জানানোর সময়, বলার ব্যক্তিকে উল্লেখ না করেই passive reporting ব্যবহার করা হয় (formal ও neutral)।

Structure: *It + is/was + past participle + that + clause* (এটা সবচেয়ে সাধারণ)

Example: Economists predict slower growth → **It is believed that** economic growth will slow next quarter.

Rule 6: Questions (Present & Past Simple in Passive)

ব্যখ্যা: প্রশ্ন করলে যদি কাজ বা প্রাপ্ত বিষয়ে জিজ্ঞেস করতে চাই, passive প্রশ্ন ব্যবহার করা হয়; তাতে object প্রথমে আসে।

Structure:

- Present question (Active: *Do/Does + subject + verb + ?*) → Passive: *Am/Is/Are + object + past participle (+ by agent)?*
- Past question (Active: *Did + subject + verb + ?*) → Passive: *Was/Were + object + past participle (+ by agent)?*

Example: *Did they approve the proposal?* → **Was the proposal approved** by the board last week?

Rule 7: Imperatives (Commands & Negative instructions in Passive)

ব্যখ্যা: আনুষ্ঠানিক বা নম্র নির্দেশনা দিতে passive imperative ব্যবহার করা হয় – “*Let + object + be + past participle*”। নেতিবাচক হলে “*Let + object + not + be + past participle*”।

Structure: *Let + object + be + past participle / Let + object + not + be + past participle*

Example: *Keep confidential documents locked.* → **Let confidential documents be kept locked** in the archive at all times.

Rule 8: Special Cases (No passive, double objects, stative verbs, agentless passive)

ব্যখ্যা: সব ক্রিয়া passive করা যায় না; double-object verbs-এর ক্ষেত্রে ভিন্ন passive ফর্ম থাকতে পারে; stative verbs সাধারণত passive হয় না; বৈজ্ঞানিক বা প্রক্রিয়া বর্ণনায় agent ছাড়াই passive ব্যবহার হয়।

Structure / টিপস:

- No object → passive না।
- Double object: *They gave her a prize* → *She was given a prize / A prize was given to her.*
- Stative verbs (have, belong) → passive অযৌক্তিক।
- Agentless passive: *The sample is heated to 80°C.*

Example: *They awarded him a fellowship.* → **He was awarded a fellowship** for his pioneering research.

Rule 9: Passive with Infinitives & Gerunds

ব্যখ্যা: infinitive passive-এ *to be + past participle* লাগে; gerund passive-এ *being + past participle* ব্যবহার হয়।

Structure:

- Infinitive: *Subject + to + active infinitive* → *Object + to + be + past participle*

- Gerund: *like/enjoy + active gerund* → *like/enjoy + being + past participle*

Example: *They expect the panel to approve the plan.* → **The plan is expected to be approved by the panel.**

Rule 10: Passive in Complex & Compound Sentences

ব্যাখ্যা: মূল বাক্যের passive প্রয়োগ করলে subordinate clause-এও passive/ reporting passive ব্যবহার করা যায়- বিশেষত when focus action-এর ফলাফল বা তথ্যের উপর।

Structure (Example pattern): *Active complex clause* → *It is known/believed/reported that + clause (passive as needed).*

Example: *I know that the team completed the audit on time.* → **It is known that the audit was completed on time by the team.**

Sentence Structure

1) Simple Sentence – মরল বাক্য

ব্যাখ্যা: একটিমাত্র স্বতন্ত্র (independent) বাক্য – একটি subject এবং একটি main verb থাকে; মহজ, মরামরি ভাব প্রকাশ করে।

Structure: Subject + Verb (+ Object/Complement)

Example: I am currently studying for a B.Sc. in Botany at S.G.C. for which I intend to pursue postgraduate study abroad.

2) Compound Sentence – যৌগিক বাক্য

ব্যাখ্যা: দুটি বা তার বেশি স্বতন্ত্র বাক্য (independent clauses)কে যোগ করে; মাধ্যমগত coordinating conjunction (and, but, or, so) দিয়ে যুক্ত করা হয়।

Structure: Independent clause + (and/but/or) + Independent clause

Example: The proposal was persuasive, but the board decided to postpone the vote until more evidence was provided.

3) Complex Sentence – জটিল বাক্য

ব্যাখ্যা: একটি প্রধান বাক্য (main clause) এবং একটি বা একাধিক subordinate (dependent) clause থাকে – w/h-clause, conjunction বা pronoun দিয়ে subordinate clause শুরু হতে পারে।

Structure: Main clause + (that/which/when/if/although/ because/ who/whom/where) + Subordinate clause

Example: Although I graduated in CSE from Sonargaon University, I plan to go abroad for higher education to specialise in artificial intelligence.

4) Relative Clauses – defining vs non-defining (who / which / that)

ব্যখ্যা: noun-কে নির্দিষ্ট বা অতিরিক্ত তথ্য দিয়ে বর্ণনা করা হয়; defining (প্রয়োজনীয়) clause সাধারণত comma ছাড়া, non-defining (অতিরিক্ত) clause comma দিয়ে ঘেরা হয়।

Structure: Noun + (who/which/that) + clause (non-defining → use commas)

Example: The car, which I had long admired, proved to be far more expensive than I had expected.

5) Subordinating Conjunctions – (because / since / as if / as though)

ব্যখ্যা: কারণ বা পরিস্থিতি বা তুলনার ধারণা জানাতে subordinate clause শুরু করে; *because/since* কারণ দেখায়, *as if/as though* কাল্পনিক বা অনুকরণ দেখায়।

Structure: Because/Since/As + Subordinate clause, + Main clause (বা বিপরীত ক্রমে)

Example: Because the survey was comprehensive, the ministry revised its policy to prioritise long-term sustainability.

6) “The fact that ... leads to ...” (cause → consequence)

ব্যখ্যা: কোনো মত/ঘটনার উপস্থিতি একটি ফলাফল তৈরি করলে এই কাঠামো ব্যবহার করা হয়; পরে ফলাফলটি noun/gerund বা “the need to + infinitive” আকারে প্রকাশ করা যায়।

Structure: The fact that + clause + leads to + (noun / gerund / the need to + infinitive)

Example: The fact that I intend to perform Hajj leads to the need to amass substantial savings over the next few years.

7) “Lead to + verb(-ing)” vs “lead to the need to + infinitive”

ব্যখ্যা: মরামরি ফলাফল দেখাতে *lead to + -ing* ব্যবহার; যদি সেই ঘটনা নতুন প্রয়োজন তৈরি করে বলতে হয় → *lead to the need to + infinitive*।

Structure: Subject + lead(s) to + verb(-ing) / Subject + lead(s) to the need to + infinitive

Example: Rapid urbanisation leads to overcrowding, and consequently leads to the need to improve public transport.

8) Parenthetical / Discourse-markers (e.g., “personally I believe”)

ব্যখ্যা: লেখায় নিজের মতামত সামঞ্জস্য করতে parenthetical phrase (কমা দিয়ে আলাদা করা) ব্যবহার করুন; এটি sentence flow উন্নত করে।

Structure: Main clause, (discourse marker), rest of clause.

Example: This car, I believe, is excessively expensive for what it offers.

9) Common tense/wording corrections (e.g., “I will be go to abroad”)

ব্যখ্যা: ভবিষ্যৎ মহজের জন্য *will + base verb* বা ভবিষ্যৎ বর্তমানকালীয় ধারাবহতার জন্য *will be + verb-ing*; “go to abroad” ভুল – মঠিক: *go abroad*.

Structure (correct): I will + base verb + (object/location) or I will be + verb-ing + ...

Example (corrected): I will go abroad next year to pursue a master’s degree in data science.

10) Example of combining relative clause + adjective clause correctly (formal punctuation)

ব্যখ্যা: যদি clause অতিরিক্ত তথ্য দেয়, comma দিয়ে আলাদা করে; passive বা active form-এ ঠিক verb form ব্যবহার করুন।

Structure: Noun, which + clause, + main verb...

Example: This car, which I had dreamed of buying, looks exceptionally stylish and well built.

11) Useful speaking/writing tip (conciseness & accuracy)

ব্যাখ্যা: স্পিকিং/রাইটিং-এ মূচক শব্দ, মঠিক tense, এবং sentence-type ভিন্নতা রাখুন (simple/compound/complex) – এতে coherence ও cohesion বাড়ে।

Structure-tip: Mix one simple + one complex + one compound sentence in a short paragraph to score well.

Example (short model sentence-triplet): I am currently studying MBA at United International University. Although my schedule is busy, I participate in two research projects, and I plan to publish my findings next year.

Linking Words

Rule 1: *Listing* (Firstly, Secondly, Finally, Next, etc.)

ব্যাখ্যা: ধারাবাহিকভাবে পয়েন্ট মাজাতে বা ধাপে ধাপে বর্ণনা করতে ব্যবহৃত হয়; reader কে বক্তব্যের **order** বুঝাতে সহায়তা করে।

Structure: Firstly / Secondly / Finally, + main clause.

Example: Firstly, investment in early childhood education yields long-term social benefits.

Rule 2: *Reinforcement* (Also, Moreover, In addition, Not only ... but also)

ব্যাখ্যা: কোনো পয়েন্টকে আরও শক্তিশালী করতে বা অতিরিক্ত মর্মে যোগ করতে ব্যবহৃত হয়; argument কে **persuasive** করে।

Structure: Moreover, + clause. / Not only + clause, but also + clause.

Example: Not only does vocational training enhance employability, but it also fosters local entrepreneurship.

Rule 3: *Similarity* (Similarly, Likewise, Equally, In the same way)

ব্যাখ্যা: দুইটি আইডিয়ায় মধ্যে মিল বা মনতুল্য গুরুত্ব দেখাতে ব্যবহৃত হয়।

Structure: Similarly / Likewise, + clause.

Example: Urban planners prioritise public transport; similarly, policymakers should invest in cycling infrastructure.

Rule 4: *Contrast* (However, In contrast, On the contrary)

ব্যাখ্যা: বিপরীত বা ভিন্ন দৃষ্টিভঙ্গি উপস্থাপন করতে ব্যবহৃত হয়; balanced argument তৈরিতে সহায়ক।

Structure: However, + clause. / In contrast, + clause.

Example: Many support technological adoption; however, insufficient training can negate its benefits.

Rule 5: *Concession* (Although, Nevertheless, Even though, Yet)

ব্যাখ্যা: কোনো মীমাংদ্বতা বা বিপরীত মত স্বীকার করে মূল যুক্তি বজায় রাখতে ব্যবহৃত হয়; লেখাকে **realistic** করে।

Structure: Although + clause, + main clause. / Main clause; nevertheless, + clause.

Example: Although renewable energy is costly initially, it delivers substantial savings over time.

Rule 6: Transition to a new point (Now, As far as X is concerned, With regard to)

ব্যাখ্যা: একটি আইডি থেকে অন্য আইডিতে মরামরি ও পরিষ্কারভাবে যাওয়ার জন্য ব্যবহৃত হয়।

Structure: Now, + clause. / With regard to + noun/issue, + clause.

Example: Now, with regard to rural healthcare, telemedicine offers a viable solution.

Rule 7: Giving Examples (For example, For instance, Namely)

ব্যাখ্যা: বিমূর্ত ধারণাকে কনক্রিট উদাহরণ দিয়ে স্পষ্ট করতে ব্যবহৃত হয়।

Structure: For example, + specific instance/clause.

Example: Many countries subsidise public transport; for instance, Germany offers discounted passes for students.

Rule 8: Generalising (In general, Generally, On the whole)

ব্যাখ্যা: একটি বিস্তৃত প্রবণতা বা মার্বিক মত উপস্থাপন করতে ব্যবহৃত হয়; blanket statements এ মতর্কতা দরকার।

Structure: In general, + clause.

Example: In general, urban migration increases demand for affordable housing.

Rule 9: Result (Therefore, Consequently, As a result, Thus, Hence)

ব্যাখ্যা: কারণ-ফল সম্পর্ক প্রদর্শনে ব্যবহৃত হয়; logical conclusion স্পষ্ট করে।

Structure: [Cause clause]. Therefore, + result clause. / As a result, + clause.

Example: The factory closed due to restructuring; consequently, unemployment rose in the district.

Rule 10: Highlighting (In particular, Especially, Mainly)

ব্যাখ্যা: কোনো নির্দিষ্ট অংশকে আলাদা করে গুরুত্ব দিতে ব্যবহৃত হয়।

Structure: In particular, + clause/noun phrase.

Example: In particular, access to clean water dramatically improves child health outcomes.

Rule 11: Stating the obvious (Obviously, Clearly, Of course)

ব্যাখ্যা: বহাংশে স্বীকৃত বা মহজে বোঝা যায় এমন মত বোঝাতে ব্যবহৃত হয়; খুব বেশি ব্যবহারে argumentative depth কমাতে পারে।

Structure: Obviously, + clause.

Example: Obviously, basic literacy is a prerequisite for effective civic participation.

Rule 12: Deduction (Then, In other words, This implies that)

ব্যাখ্যা: প্রদত্ত তথ্য থেকে যৌক্তিক উপসংহার টানতে বা বাক্য মহজ করে বোঝাতে ব্যবহৃত হয়।

Structure: This implies that + clause. / In other words, + clause.

Example: Enrolment rates have declined; in other words, schools must become more accessible.

Rule 13: Alternative (Alternatively, On the other hand, Rather)

ব্যাখ্যা: একটি ভিন্ন বিকল্প বা পথ উপস্থাপন করতে ব্যবহৃত হয়; balanced essay-এ গুরুত্বপূর্ণ।

Structure: Alternatively, + clause. / On the other hand, + clause.

Example: Urban congestion can be reduced by road pricing; **alternatively**, expanding metro networks could achieve similar results.

Rule 14: Reformulation (In other words, To put it more simply, Rather)

ব্যখ্যা: পূর্বোক্ত বাক্যকে সহজভাবে বা স্পষ্টভাবে পুনর্ব্যক্ত করতে ব্যবহৃত হয়।

Structure: In other words, + paraphrase/clause.

Example: The scheme targets the most vulnerable; **in other words**, it focuses on households below the poverty line.

Rule 15: Summary (In conclusion, To summarise, Overall, Therefore)

ব্যখ্যা: প্রবন্ধ বা বক্তব্যের মূল পয়েন্ট সংক্ষেপে উপস্থাপন ও উপসংহার করার জন্য ব্যবহৃত হয়।

Structure: In conclusion, + summary statement. / To summarise, + key points.

Example: In conclusion, investment in education, healthcare and infrastructure is essential for sustained economic growth.

Rule 16: Position matters (placement & commas)

ব্যখ্যা: linking word-এর অবস্থান (শুরু/মধ্য/শেষ) ও punctuation (কমা) ঠিক না হলে grammar ও meaning problem হয়; start/mid placement ভিন্ন effect দেয়।

Structure: Start: **However**, + clause. Mid: clause, **however**, clause.

Example: Many support reform; **however**, detailed planning is still required.

Rule 17: Comma use (sentence start vs mid vs informal words)

ব্যখ্যা: বাক্যের শুরুতে formal linkers মাধ্যমিক কমা লাগে; মাঝখানে ব্যবহারের সময় surrounding commas প্রয়োজন; casual words (too, though) মাধ্যমিক কমা ছাড়া চলে।

Structure: **However**, + clause. / Clause, **however**, clause.

Example: **Therefore**, the policy was revised to reflect stakeholder feedback.

Rule 18: Subject + Verb (clause requirement for some linkers)

ব্যখ্যা: কিছু linkers (**Because of this**, **Therefore** ইত্যাদি) পূর্ণ clause (subject + verb) দাবি করে; শুধু phrase ব্যবহার করলে sentence অসম্পূর্ণ হয়।

Structure: **Because of this**, + subject + verb.

Example: **Because of this**, many families relocated to safer neighbourhoods.

Rule 19: Parallel structure (not only ... but also / either ... or / neither ... nor)

ব্যখ্যা: paired linkers-এ অংশগুলো grammaticalভাবে একই ফর্মে (noun+noun, verb+verb, adjective+adjective) রাখতে হয়; না হলে awkwardness বা grammar error হয়।

Structure: **Not only** + (form A), **but also** + (same form A). / **Either** + (A) **or** + (A).

Example: **Not only** studying **but also** working abroad can accelerate professional development.

Rule 20: Register matters (formal vs informal)

ব্যখ্যা: লিখন-ভাষায় formal linkers (**Therefore**, **Moreover**) ব্যবহার করতে হয়; casual linkers (**so**, **anyway**)

কেবল speaking বা casual writing-এ উপযুক্ত।

Structure: Formal: **Therefore**, + clause. Informal: **So**, + clause (speaking).

Example: **Therefore**, policymakers should adopt evidence-based strategies to reduce emissions.

Rule 21: No double connectors (avoid redundancy)

ব্যাখ্যা: একই বাক্যে দুইটি connector একসাথে ব্যবহার করলে redundancy ও grammar error হয় (e.g., **so therefore**); একটাই যথেষ্ট।

Structure: Use **one connector only**: **However**, + clause.

Example: **However**, the committee postponed the vote.

Rule 22: Consistency (use same category markers together)

ব্যাখ্যা: একই ধরনের linking sequence ধারাবাহিকভাবে ব্যবহার করুন (**Firstly** → **Secondly** → **Finally**); মিশিয়ে দিলে coherence দুর্বল হয়।

Structure: **Firstly**, **Secondly**, **Finally**, + clauses.

Example: **Firstly**, the curriculum must be updated. **Secondly**, teachers require re-training. **Finally**, resources should be allocated accordingly.

Paraphrasing

Rule 1: Using Synonyms

ব্যাখ্যা: মূল শব্দগুলোকে উপযুক্ত **formal/academic** সমার্থক শব্দ দিয়ে বদলানো—context অনুযায়ী মঠিক register রেখে।

Structure: Original word/phrase → formal/academic synonym

Example:

Original: *Many people believe that private tutoring improves students' grades.*

Paraphrased: *It is commonly asserted that **supplementary tuition** enhances students' **academic performance**.*

Used: Many people believe → It is commonly asserted; private tutoring → supplementary tuition; improves → enhances; grades → academic performance.

Rule 2: Changing Word Forms

ব্যাখ্যা: শব্দের ধরন পরিবর্তন করে (verb → noun, adj → adv ইত্যাদি) বাক্যকে academic করে তোলা।

Structure: verb/adjective/adverb → noun/adjective/phrase (word-class conversion)

Example:

Original: *Scientists study climate change and observe rapid temperature rises.*

Paraphrased: *Scientific study of climate change reveals rapid increases in temperature.*

Used: Scientists study → scientific study (noun phrase); observe → reveals; temperature rises → increases in temperature.

Rule 3: Changing Sentence Structure

ব্যাখ্যা: বাক্যের **voice** বা **clause-order** পরিবর্তন করা (Active ↔ Passive, Simple ↔ Complex) – অর্থ অপরিবর্তিত

রেখে expression ভিন্ন করা।

Structure: Active clause → Passive clause / reorder clauses

Example:

Original: *Volunteers plant trees to restore degraded land.*

Paraphrased: *Degraded land is being restored through tree-planting by volunteers.*

Used: Active → Passive; purpose phrasing retained but structure changed.

Rule 4: Using Different Grammar

ব্যখ্যা: impersonal form, modal অথবা opinion phrasing ব্যবহার করে একই ভাব ভিন্ন grammatical ফরমে বলা।

Structure: Personal form → Impersonal / modal / impersonal expression

Example:

Original: *People think recycling reduces waste.*

Paraphrased: *It is widely accepted that recycling reduces the volume of waste.*

Used: People think → It is widely accepted (impersonal); waste → volume of waste (lexical uplift).

Rule 5: Changing Word Order

ব্যখ্যা: একই শব্দ/phrase রেখে তাদের sentence-এ অবস্থান বদলে emphasis বা flow পরিবর্তন করা।

Structure: Move adverbial/phrase from clause start → clause end (or vice-versa)

Example:

Original: *In recent years, many countries have invested in renewable energy.*

Paraphrased: *Many countries have invested in renewable energy in recent years.*

Used: In recent years → moved to sentence end (word-order shift).

Rule 6: Using Definitions / Explanations

ব্যখ্যা: কোনো শব্দের মরামরি synonym না পেলে তার সংজ্ঞা/বর্ণনা ব্যবহার করা – lexical range প্রদর্শন করে।

Structure: Single-word noun → short definition/phrase

Example:

Original: *Cyberbullying harms teenagers across the globe.*

Paraphrased: *Online harassment – the repeated targeting of young people via digital platforms – causes harm worldwide.*

Used: Cyberbullying → online harassment + brief definition (explanatory apposition).

Rule 7: Generalization or Specification

ব্যখ্যা: specific → general (বিস্তৃত রূপ) বা general → specific (বিস্তৃতকে নির্দিষ্ট করে) করে বলা।

Structure: Specific term → broader category (or vice-versa with examples)

Examples:

• **Generalization – Original:** *Twitter changed how journalists share news.*

Paraphrased: *Social networking platforms have altered the ways in which journalists disseminate news.*

Used: Twitter → social networking platforms (specific → general).

• **Specification – Original:** *People enjoy sports.*

Paraphrased: *Many people take pleasure in endurance sports such as marathon running and long-*

distance cycling.

Used: sports → endurance sports such as ... (general → specific).

Rule 8: Changing Clause Types

ব্যখ্যা: because/although ইত্যাদি clause-কে prepositional phrase বা linking device দিয়ে বদলানো – clause-level variety দেখায়।

Structure: Because + clause → Due to/Owing to + noun phrase; Although + clause → Main clause; however, + clause

Examples:

• Cause → Prepositional phrase – Original: *Students miss classes because they are ill.*

Paraphrased: *Due to illness, students often miss classes.*

Used: because clause → due to + noun phrase.

• Contrast clause → Connector – Original: *Although the course is free, enrollment remains low.*

Paraphrased: *The course is free; nevertheless, enrolment remains low.*

Used: Although → ; nevertheless, (connector between two independent clauses).

Rule 9: Combining or Splitting Sentences

ব্যখ্যা: দুটি independent sentences-কে combine করে একটি complex sentence বানানো বা একটি sentenceকে ভাগ করা – clarity বৃদ্ধি করে।

Structure: Sentence A + Sentence B → Combined with as/because/so that / Long sentence → split into two shorter sentences

Examples:

• Combining – Original: *Tourism increased. Local businesses benefited.*

Paraphrased: *As tourism increased, local businesses experienced notable benefits.*

Used: Two sentences → one complex sentence with as (cause/effect).

• Splitting – Original: *The policy has benefits and drawbacks for small firms.*

Paraphrased: *The policy benefits some small firms. It also creates challenges for others.*

Used: One compound idea → two focused sentences (splitting).

Rule 10: Using Antonyms

ব্যখ্যা: বাক্যের ইতিবাচক/নেতিবাচক অংশকে বিপরীতভাবে প্রকাশ করে (negation → positive বা positive → negation) এবং গঠন বদলিয়ে একই অর্থ রক্ষা করা।

Structure: Negative phrasing → Positive phrasing (use antonym + restructure)

Example:

Original: *Children should not be prevented from learning through play.*

Paraphrased: *Children should be allowed to learn through play.*

Used: should not be prevented → should be allowed (antonym/structural flip).

Conditionals

Rule 1: Present Conditional (First conditional / শর্তযুক্ত ভবিষ্যৎ)

ব্যাখ্যা: ভবিষ্যতে সম্ভাব্য শর্ত ও তার ফলাফল বললে First conditional ব্যবহার হয়। শর্ত বাস্তবসম্মত ও হতে পারে-তাই শর্তে Present Simple, ফলাফল-কাজে will/shall (বা কখনো present simple) আসে।

Structure: If + Present Simple, + will / shall + base verb

Example: If students **attend** the preparatory classes regularly, they **will** noticeably improve their IELTS band scores.

Rule 2: (Zero conditional – সাধারণ মত/নিয়ম)

ব্যাখ্যা: সাধারণ ঘটনা বা বৈজ্ঞানিক মত বললে শর্ত ফল উভয়েই Present Simple হয়। (আপনি এটাও কাজে লাগাতে পারেন যখন শর্ত সবসময় মত)

Structure: If + Present Simple, + Present Simple

Example: If examiners **see** a coherent argument, they **award** a higher coherence and cohesion score.

Rule 3: Past Conditional (Second conditional – অপষ্ট/কাল্পনিক বর্তমান)

ব্যাখ্যা: বর্তমানে বাস্তবে ঘটছে না এমন কাল্পনিক বা অসম্ভব শর্তে Second conditional ব্যবহার হয়। শর্তে Past Simple, ফলাফলে would/could/might + base verb।

Structure: If + Past Simple, + would / could / might + base verb

Example: If I **had** more time to practise speaking, I **would** achieve a band 8 in the IELTS speaking test.

Rule 4: Past Perfect Conditional (Third conditional – অতীতের অনুশোচন/বিকল্প ইতিহাস)

ব্যাখ্যা: অতীতে যেটা ভিন্নভাবে ঘটলে ফল বদলে যেত-এমন অনুশোচন বা অপরিমীত পুরোনো শর্তে Third conditional লাগে। শর্তে Past Perfect, ফলাফলে would/could/might have + past participle।

Structure: If + Past Perfect (had + V3), + would/could/might have + past participle

Example: If she **had prepared** more thoroughly, she **could have achieved** a higher overall band score.

Note (Inversion): Had + subject + V3, + ... ব্যবহার করলে If বাদ দেওয়া যায়:

Had I studied harder, I could have passed. ⇔ If I had studied harder, I could have passed.

Rule 5: Tense & Verb Consistency (শর্তোত্তর বাক্যে tense-এর সামঞ্জস্য)

ব্যাখ্যা: শর্তযুক্ত বাক্যে প্রত্যেক ক্লজ তার নিজস্ব tense-র নিয়ম মেনে চলবে; দুই-দুই ক্লজের tense মিলবে না – ফলে অর্থ ভুল হবো লক্ষ্য করুন: শর্ত (if-clause) ও ফল (main clause) একে-অন্যের জন্য নির্দিষ্ট tense নির্ধারণ করে।

Structure (টিপ): First conditional → (Present → Future), Second → (Past → would+V), Third → (PastPerfect → would have+V3)

Example (মঠিক vs ভুল):

Wrong: If you *had attend* the class regularly, you *might have learn* more.

Correct: If you *had attended* the class regularly, you *might have learned* more.

Rule 6: Auxiliary Verbs & Passive vs Active (শক্তি-করি/মহায়ক ক্রিয়া ও passive)

ব্যাখ্যা: Active ভাঙলে Subject কাজ করে; Passive-এ object সামনে আসে এবং be + past participle প্রয়োগ হয়।
Auxiliary verbs (am/is/are/was/were/have/has/will/should/could) passive tense গঠনেও লাগে।

Structure (Present/Past Simple):

- Active: Subject + V(s/es/ed) + Object
- Passive: Object + am/is/are / was/were + past participle (+ by agent)

Example:

Active: *The examiners **grade** essays carefully.*

Passive: *Essays **are graded** carefully by the examiners.*

Rule 7: Practice (noun) vs Practise (verb) – British usage

ব্যাখ্যা: British English এ **practice** (noun) এবং **practise** (verb) পৃথক; American English-এ উভয় ক্ষেত্রেই **practice**। IELTS (British register)-এ test centre ব্রিটিশ ইংরেজি মেনে চললে ভুল এড়াতে টিক বজায় রাখুন।

Structure: practice (n) ; practise (v)

Example: I need more **practice** (n) in writing; therefore, I **practise** (v) for one hour every day.

Rule 8: Causative Verbs (make, let, help, have, get – causative structures)

ব্যাখ্যা: কাউকে কোনো কাজ করানো বা করিয়ে নেওয়ার কাঠামো; verb-গুলোর পরে object আসে এবং মূল verb-এর ফর্ম নির্ভর করে causative verb-এর টাইপ-এর উপর।

Structure & নিয়ম:

- **Make / Let:** Subject + make/let + object + base verb
(She made him apologise. / They let the children play.)
- **Help:** Subject + help + object + (to) + base verb – to optional.
(He helped me (to) revise for the test.)
- **Have / Get (causative passive result):** Subject + have/get + object + past participle
(I had my laptop repaired. / She got her hair coloured.)

Examples:

- Make: *The teacher **made** the student **rewrite** the paragraph to improve clarity.*
- Let: *The manager **let** staff **take** a break during the long shift.*
- Help: *My mentor **helped** me **secure** an internship.*
- Have/Get: *I **had** my manuscript **edited** by a professional proofreader.*

Tip: Help can take base or to-infinitive: help + object + (to) + V.

Rule 9: Common error correction (example correction)

ব্যাখ্যা: শেখানোর সময় learners যে মাধারণ ভুলগুলো করে – verb forms, auxiliary omission, causative ফর্ম – মেগুলো ঠিক করে format-wise মঠিক বাক্য দিন।

Structure (correction example): If + had + V3, + might/ could/ would have + V3 (for third conditional)

Correction (from your line):

Wrong: *if you had attend the class regularly, you might have learn more.*

Correct: *If you had **attended** the classes regularly, you **might have learned** (or have learnt) much more.*

Rule 10: Speaking & Writing – grammar focus (practical advice)

ব্যাখ্যা: Speaking-এও grammar জরুরি; কমপ্লেক্স গঠন, passive, adjective/adverb ব্যবহার করে formal ও ফলপ্রসূ উত্তর দিন – তবে fluency ও pronunciation-ও বজায় রাখতে হবে। Writing-এ complex sentences ও passive voice-এর মযত্ব প্রয়োগ coherence বাড়ায়।

Structure (advice): Mix *simple + complex + passive/active/causative* sentences; use correct auxiliaries and parallel structures.

Example (short model): *Although I work full-time, I practise for two hours daily, and I have found that this routine has significantly improved my writing band.*
